## Pre-Contractual Explanation

### Understanding your credit card agreement

#### What is this document?

This document provides you with the key features of our credit card and is intended to help you decide if it is the right product for you. We're happy to talk you through any of the key features and the credit agreement either in branch or by calling us on **0330 123 0061\***.

The Pre-Contract Credit Information document and the Credit Agreement provide more details about our credit card and it's important that you read these carefully before you sign up for your credit card. If you're in branch you can take this information away with you to consider before applying.

#### Put simply

This is a summary of the key features and things you need to know about our credit card.

We've prepared a document for you called 'Pre-Contract Credit Information' which contains important information which you should also read.

#### Is a credit card right for my borrowing needs?

A Santander credit card is a credit product suited to short term borrowing but could be an expensive way to borrow large amounts over a long period. If you want to borrow over a longer period or borrow a substantial amount, then a Santander personal loan may be a better option as the interest rate is fixed for the term of the loan. A credit card is not suitable for paying other forms of long-term borrowing such as mortgage or personal loan repayments.

#### Put simply

A credit card can be very expensive if you're not careful how you use it.

It is best used when you can pay off the full balance quickly.

#### What interest rates and charges might apply?

Full details of our interest rates and charges can be found in the Costs of Credit section of the Pre-Contract Credit Information, as well as condition 4.1 (interest rates) and condition 8 (fees and charges) of the credit agreement.

##### ◦ Interest rates

There are different interest rates for purchases, balance transfers and cash transactions. For example, for withdrawing cash using your credit card you will pay a higher interest rate than if you used your credit card to make a purchase. Please note cash transactions include cash withdrawals, purchase of travellers' cheques and gambling. A cash transaction fee will also apply for cash transactions made in the UK or abroad. It will therefore cost you more to use your credit card for cash transactions rather than purchases.

##### ◦ Changing interest rates, fees or charges

We may increase interest rates or charges by giving you at least 30 days' notice. One of the reasons for increasing your interest rate is if our assessment of the risk of lending to you changes based on your particular circumstances or the way you use your account. Please refer to the Costs of Credit section in the Pre-Contract Credit Information or condition 4.9 of the credit agreement for more details.

Please be aware that any increase could increase the amount you have to pay each month and mean that it takes you longer to repay any outstanding balance.

##### ◦ Introductory interest rates

Introductory interest rates may be offered with this credit card and the term of any introductory offer will start from the date your account is opened. Details of these are contained in the Costs of Credit section of the Pre-Contract Credit Information and condition 4.1 of the credit agreement.

If you have not repaid the outstanding balance by the end of the promotional period, your standard purchase/balance transfer interest rate will apply to the remaining balance until it is repaid in full. The standard interest rates will be significantly higher than the introductory/promotional interest rates.

##### ◦ Fees and Charges

Please see the Costs of Credit section in the Pre-Contract Credit Information and condition 8 of the credit agreement for full details of our fees and charges.

##### ◦ Monthly Fee

We charge a monthly fee of £15 for this credit card.

##### ◦ Balance transfers

We don't charge a balance transfer fee on any balance transfers made during the introductory period. Once the introductory period ends, we will charge 3% (minimum £5) for each balance transfer.

When making a balance transfer, the minimum amount is £100 and the maximum must not exceed 95% of your available credit limit.

#### Put simply

Cash withdrawals are more expensive than purchases because you start paying interest immediately and will be charged a fee for each cash withdrawal made in the UK or abroad.

We charge a monthly fee of £15 for this credit card. We don't charge a balance transfer fee on any balance transfers made during the introductory period. We can change the fees (including the monthly fee and amending the balance transfer fees) and interest rates on your card. We'll let you know in advance if we plan to do this. Any introductory rate we offer you starts from the date your account is opened.

For detailed information on fees and charges please read the Costs of Credit section in the Pre-Contract Credit Information and condition 8 of the credit agreement.

# Pre-Contractual Explanation

## Understanding your credit card agreement (continued)

### How much will I have to pay under the credit agreement?

The total amount you have to repay each month will depend on how much you spend using your credit card and how much of the outstanding balance you repay each month.

Every month, you can repay as much of the balance as you like but you must pay at least the minimum payment which will be a percentage of the balance outstanding. Your minimum payment will be shown on your statement each month as well as the date by when you must pay. Details of how your minimum payment is calculated are set out in the Key Features section of your Pre-Contract Credit Information.

If you only pay the minimum payment each month you will be charged interest and it will take you longer, and cost you more overall, to clear your balance.

If for two consecutive 18 month periods, you pay off less of the principal amount of the transactions added to your account than you pay in interest, fees and charges then we will have to change the way you repay and may also need to restrict your use of the account. We will have to do this even if you have not breached the terms of your agreement.

### Put simply

It will cost you more if you only make your monthly minimum payments. It will cost you less if you pay off the full balance quickly.

### What are the consequences to me if I do not keep up with repayments?

If you pay late or don't pay at all, we will charge you a late payment fee of £12 as well as interest. This will mean that the amount you owe us will grow.

If you do miss a payment or pay us late, this can affect your credit rating which may make it more difficult or more expensive for you to get credit from us or another lender in the future.

It could also result in legal action being taken against you (or your home). In rare cases such enforcement may include obtaining a charging order from the court that is registered against your home.

In certain cases, we may decide to sell or transfer your debt to a debt recovery company. That company may commence legal proceedings against you that may result in enforcement action being taken against your property for recovery of the monies owed.

If you have other accounts with Santander, we may use money held in those accounts to pay off your outstanding balance.

We will contact you before we do this.

### Put simply

If you miss your minimum payment you get charged a £12 fee, plus the interest keeps building up, so you end up paying back more. We will also record details with a credit reference agency and your credit rating could go down which would make it harder to get future credit.

If you miss multiple repayments, your credit rating can be damaged and you might have legal proceedings brought against you. In the very worst case your debt might be secured against your house or your debt may be transferred to a debt management company.

To avoid getting into this situation, please contact us if you are having difficulties in making your repayments.

### Changing your mind

If you decide that you no longer want your new credit card you can withdraw from the agreement as long as you tell us within 14 days starting from the day after you receive your card. You don't need to give us a reason and you can either call us on the number on the back of your credit card or write to us to let us know you've changed your mind. You will have to repay any outstanding balance, including any interest, within 30 days of you telling us you've changed your mind.

### Put simply

You can change your mind up to 14 days after you receive your card. If you do this, you must repay anything you owe.

2 Key features of the credit product	
The type of credit	This is a credit card.
The total amount of credit This means the amount of credit to be provided under the proposed credit agreement or the credit limit	We will tell you your credit limit when you first receive your card. We will determine your credit limit based on our assessment of your ability to repay.
How and when credit would be provided	As soon as you receive your card, you will be able to use your credit to pay for goods and services, up to the credit limit. You can also use your card to obtain cash or to make balance transfers, in all cases up to the applicable credit limit.
The duration of the credit agreement	The agreement has no fixed or minimum duration and will continue until it is ended by you or by us.
Repayments	Each month you must pay at least the minimum monthly payment before the date shown on your statement.  The minimum payment will be the sum of (i) the amount of any interest, payment protection insurance premiums, monthly fee and default fees charged to your account plus (ii) 1% of the remaining balance shown on your statement plus (iii) the amount of any arrears which are payable immediately; subject to a minimum of £5 or the full balance if less than £5.  Your first payment will be due on the date set out in your statement, which will be issued within 31 days of you using your card for the first time.
Your repayments will pay off what you owe in the following order	If you do not pay the account balance in full in any month, we apply your payment first to balances that are already on your statement before we apply them to any new transactions. We will apply your payment to transactions on your statement that we charge the highest interest rates on before we apply them to amounts charged at lower rates. Where interest is charged at the same rate, we will apply your payment to the transactions on your statement in the following order: 1. cash transactions, 2. purchases, 3. balance transfers, 4. other special transactions (including any account fee charged as a result of the special transaction) - if there is more than one special transaction at the same rate, we will apply your payment to the special transaction with the earliest promotional period end date and continue in that order working down to the latest promotional period end date, 5. any other transactions (including any account fee charged as a result of the transaction), 6. any other fees. We will apply any remaining payment to transactions not yet shown on your statement in the same order as set out above. Because payments are applied first against transactions already shown on your statement, if you want to pay off a recent transaction (for example a cash transaction) you would first need to pay off the balance on your statement.
The total amount you will have to pay This means the amount you have borrowed plus interest and any costs	If you make immediate use of your card for purchases of £1,200 and then repay the account balance in 12 equal monthly instalments over the period of one year, the total amount payable would be £1,483.50 including a monthly fee of £15 and also assuming that there is no change to the standard interest rate for purchases, the monthly fee (if applicable) and you do not break the terms of the agreement.

### 3 Cost of the credit

<p>The rates of interest which apply to the credit agreement</p>	<p><b>Purchases</b> 0% for 18 months from account opening, reverting to 18.9% per annum (variable).</p> <p><b>Balance Transfers</b> 0% for 18 months from account opening, reverting to 18.9% per annum (variable).</p> <p><b>Cash Transactions</b> 29.9% per annum (variable).</p> <p>We may change the interest rates which apply to your account and charge different interest rates for different types of transactions, or change the way in which interest is charged on your account. These changes may be personal to you and based on a number of factors, such as credit risk and the way you use your account.</p> <p>We will always give you at least 30 days' notice of an interest rate increase and give you the opportunity within 60 days from the date of the notice to close your account and pay back the balance at the existing rate over a reasonable period. We will give you prior notice of any other interest rate change.</p>
<p>Annual Percentage Rate of Charge (APR) This is the total cost expressed as an annual percentage of the total amount of credit The APR is there to help you compare different offers</p>	<p>The APR is <b>49.8%</b> (variable).</p> <p>The APR and total amount payable are calculated on the assumptions that the credit limit is £1,200, credit in this sum is immediately drawn down in full for a period of one year for financing purchases, the interest rate that applies is the standard interest rate for purchases, including a monthly fee of £15, the credit will be repaid in 12 equal monthly instalments, and that you will not break the agreement terms during this period.</p> <p>If the APR was based on a different type of transaction, such as cash transactions, then the APR displayed may be higher.</p>
<p><b>Related costs</b></p>	
<p>Any other costs deriving from the credit agreement</p> <p>Conditions under which the above charges can be changed</p>	<p>For balance transfers made during the introductory period – 0%; For balance transfers made after the introductory period – 3% (minimum £5); 3% on cash transactions (minimum £3); 0% of the amount of any non-sterling transaction; £15 monthly fee; £0 for each copy of a statement; £12 returned payments fee (for each returned payment); £12 over limit fee (if you are over your credit limit when your statement is produced); £25 trace fee (if you do not inform us of a change of your details in accordance with condition 24.2 of your terms and conditions).</p> <p>We may change (including removing or adding) interest rates, fees and charges for any of the reasons set out in condition 22.1, 22.2 and 22.3 of your terms and conditions.</p> <p>We will give you at least 30 days' notice about any changes before we make a change unless it is to your advantage, in which case we may make the alteration immediately and tell you about it within 30 days. If a change is to your disadvantage you can write to us within 60 days to close your account. We will let you know about any changes by post, email, your statement, or via the document store in Online Banking.</p>
<p>Costs in the case of late payments</p>	<p>£12 late payment fee (for each late payment).</p>
<p>Consequences of missing payments</p>	<p>Missing payments could have severe consequences, including the possibility of legal proceedings being brought against you and may result in Credit Reference Agencies being notified which could make obtaining credit more difficult. If we do take legal proceedings against you, we may apply to enforce any judgement that is made in a number of ways, including getting a charging order against your home.</p>

# Credit Agreement – Santander World Elite Mastercard

**PLEASE NOTE: THE BELOW TERMS AND CONDITIONS WILL FORM PART OF YOUR CREDIT AGREEMENT. YOU WILL BE PROVIDED WITH A PERSONALISED CREDIT AGREEMENT CONTAINING THESE TERMS AND CONDITIONS SHOULD YOU PROCEED WITH AN APPLICATION.**

**CREDIT CARD AGREEMENT REGULATED BY THE CONSUMER CREDIT ACT 1974**

Between **us**, Santander UK plc, 2 Triton Square, Regent's Place, London NW1 3AN and **you**.

This agreement incorporates the Agreement Terms and Conditions and words in bold are defined in Condition 12.

## 1 Duration of Agreement

This agreement has no fixed term. It will continue indefinitely unless and until it is terminated by **you** or **us** in accordance with Condition 23.

## 2 Credit Limit

**Your Credit Limit** will be determined by **us** from time to time under the agreement and notice of it will be given by **us** to **you**. **We** will tell **you** what it is when **we** send **you your Card**. Please see Condition 13.2 for how **we** can change **your Credit Limit**.

## 3 Use of your Card

**Your Card** and **Account** are for **your** personal use only. As soon as **you** receive **your Card**, **you** may use **your Card** for the duration of the agreement to make **Purchases** and to carry out **Cash Transactions** up to **your Credit Limit** or **Cash Limit**, as applicable. If **we** tell **you** that **you** can, **you** may also use the **Account** for **Special Transactions**, such as **Balance Transfers**. **You** authorise a **Transaction** by giving **your** consent. This can be done in any of the ways **we** tell **you** from time to time, including by using **your Card** and **PIN**, providing **your Card** details online or over the phone, signing a paper voucher or using a device on which **your Card** details have been loaded. **Your Card** may also have a contactless function which can be used to pay for small value **Purchases** without entering **your PIN** or using **your** signature. **You** authorise a contactless **Transaction** by presenting **your Card** or device on which **your Card** is loaded to the supplier's terminal.

## 4 Interest Rates

4.1 **Our** interest rates are:

Transaction Type	Introductory/ Promotional Rate	Standard Rate
Purchases	0% for 18 months from account opening	18.9% p.a.
Balance Transfers	0% for 18 months from account opening	18.9% p.a.
Cash Transactions	N/A	29.9% p.a.

The APR is **49.8%** variable. The APR and the Total Amount Payable (as described in Condition 5) are calculated on the assumptions that the credit limit is £1,200, credit in this sum is immediately drawn down in full for a period of one year for financing **Purchases**, the interest rate that applies is the Standard Rate for **Purchases**, including a Monthly Fee of £15, the credit will be repaid in 12 equal monthly instalments and that **you** will not break the terms of the agreement during this period.

4.2 Subject to Conditions 4.3, 4.9, 4.10 and 4.11 below, **we** will charge interest on **Purchases** and all other **Transactions** at the relevant Standard Rate set out above. **Our** Standard Rates are variable in accordance with Condition 4.9, 4.10 and 4.11.

4.3 Where Introductory and Promotional Rates apply, they will end on the expiry of the relevant promotional offer period set out in the table above or as notified to **you**.

4.4 If **you** accept a **Special Transaction** after **you** have entered into this agreement **we** will tell **you** the promotional rate and **Promotional Period** before **you** enter into the **Transaction**.

4.5 To decide whether to charge interest on **Purchases** **we** will look at how **you** managed **your Account** in the previous month:

- If **you** paid **your Account** balance on **your** last statement in full by the payment date, **we** will assume **you** will do so the following month and so will not include interest on any new **Purchases** in **your** next statement. If **you** then pay the balance on that statement in full, no interest will be charged on those **Purchases**. If **you** do not, **we** will charge interest on those **Purchases** from the date they are added to **your Account** and will add this to **your** next statement.
- If **you** did not pay the **Account** balance in full by the previous payment date **we** will charge interest on the amount of all **Purchases** from the date they are added to **your Account** and will add this to **your** next statement.
- If **you** stop using **your Card** and pay **your** balance in full any interest that accrues between the statement date and the date **you** make **your** payment will continue to be charged to **your Account** until **you** have repaid **your Account** in full.
- If **you** always pay **your Account** in full by the payment date **we** will not charge interest on **Purchases**.

4.6 **We** charge interest on all other **Transactions** (and related fees) and on other amounts (such as the **Account** fees in Condition 8.2) from the date they are added to the **Account** until **you** have repaid the balance on **your Account** in full.

4.7 **We** will charge interest on any **Balance Transfer Fee** and **Cash Transactions Fee** (and on any unpaid interest) at the rate which applies to that **Transaction** type. **We** will always charge interest on any other **Account** fees at the Standard Rate for **Purchases** (as shown in the table in Condition 4.1 or as notified to **you**). **We** will not charge interest on **Default Fees** until **we** have told **you** **we** will do so but **we** will not charge interest on interest on **Default Fees**.

4.8 **We** calculate interest on a daily basis and add interest to the **Account** on the statement date each month. This means that if **you** do not pay **your** balance in full, **you** may pay interest on interest except on **Default Fees**.

4.9 **We** may vary the interest rates that apply to **your Account** and charge different interest rates for different types of **Transactions**, or change the way in which interest is charged or calculated on **your Account**. These changes may be personal to **you** and based on a number of factors, such as credit risk (which may include use of external credit reference data), the way **you** use **your Account** and whether **you** break the terms of this agreement.

4.10 **We** may also change interest rates where the change is to:

- a) take account of an actual, or reasonably expected, change in the interest rates **we** have to pay for example as a result of a change to the Bank of England Base Rate; or
- b) reflect an actual, or reasonably expected, change in **our** underlying costs or in law or regulation or to **our** way of doing business, including the introduction of new technology; or
- c) reflect any other actual or reasonably expected change that affects **us** if it is reasonable for **us** to pass the impact of the change on to **you**.

Any change **we** make will not be more than is reasonably proportionate to the impact of the underlying change on **us**. **We** will not make changes to cover the same cost twice.

4.11 As this agreement has no fixed end date, **we** may also change interest rates at any time.

4.12 **We** will give **you** at least 30 days' notice before **we** make a change under Condition 4.9, 4.10 or 4.11 unless it is to **your**

advantage, in which case **we** may make the change immediately and tell **you** about it within 30 days. If a change is to **your** disadvantage **you** can write to **us** within 60 days to close **your Account** and pay back the balance at the existing rate over a reasonable period.

4.13 **We** will let **you** know about any changes by post, email, **your** statement, or via the document store in Online Banking.

## 5 Total Amount Payable

If **you** make immediate use of **your Card** for **Purchases** of £1,200 and then repay the **Account** balance in 12 equal monthly instalments over the period of one year, the Total Amount Payable would be £1,483.50 including a Monthly Fee of £15 and also assuming that there is no change to the interest rate or any Monthly Fee (if applicable) and that **you** do not break the terms of the agreement.

## 6 Repayments

6.1 Each month **you** must pay at least the minimum monthly payment set out in **your** statement before the payment date shown there. Subject to Condition 6.2, the minimum payment will be the sum of (i) the amount of any interest, payment protection insurance premiums, Monthly Fee and **Default Fees** charged to **your Account** plus (ii) 1% of the remaining balance shown on **your** statement plus (iii) the amount of any arrears which are payable immediately; subject to a minimum of £5 or the full balance if less than £5.

6.2 **We** are required to monitor **your** level of repayments and, if **we** find that over a sustained period, **your** payments are not paying off as much of **your** balance as they are in interest, fees and charges, **we** will contact **you** to try to help **you** pay off the balance more quickly. If this continues for a further period, **we** may be required to ask **you** to make additional payments or take some other action so that **you** repay **your** existing outstanding balance over a reasonable period, taking into account **your** personal circumstances. Depending on the option **you** choose, **we** may also need to suspend **your Account** until **you** have repaid the outstanding balance.

6.3 Any additional payments will be in addition to **your** standard minimum payment. Failure to make such additional payments will not result in a breach of **your** agreement with **us** or be treated as a failure to make **your** minimum monthly payment under Condition 6.1 but may result in suspension of **your Card**.

6.4 **Your** first statement will be issued within 31 days of **you** using **your Card** for the first time and **your** first payment will be due on the date set out in **your** first statement.

## 7 Allocation of Payments

7.1 If **you** do not pay the **Account** balance in full in any month, **we** apply **your** payment first to balances that are already on **your** statement before **we** apply them to any new transactions.

7.2 **We** will apply **your** payment to **Transactions** on **your** statement that **we** charge the highest interest rates on before **we** apply them to amounts charged at lower rates.

7.3 Where interest is charged at the same rate, **we** will apply **your** payment to the **Transactions** on **your** statement in the following order: 1. **Cash Transactions**, 2. **Purchases**, 3. **Balance Transfers**, 4. Other **Special Transactions** (including any **Account** fee charged as a result of the **Special Transaction**) - if there is more than one **Special Transaction** at the same rate, **we** will apply **your** payment to the **Special Transaction** with the earliest **Promotional Period** end date and continue in that order working down to the latest **Promotional Period** end date, 5. Any other **Transactions** (including any **Account** fee charged as a result of the **Transaction**), 6. Any other fees.

7.4 **We** will apply any remaining payment to **Transactions** not yet shown on **your** statement in the same order as set out above. Because payments are applied first against **Transactions** already shown on **your** statement, if **you** want to pay off a recent **Transaction** (for example a **Cash Transaction**) **you** would first need to pay off the balance on **your** statement.

## 8 Fees

8.1 **We** may charge the following **Default Fees** if **you** break this agreement:

Late Payment Fee (for each late payment)	£12
Returned Payment Fee (for each returned payment)	£12
Over Limit Fee (if <b>you</b> are over <b>your Credit Limit</b> when <b>your</b> statement is produced)	£12
Trace Fee (if <b>you</b> change <b>your</b> details and do not tell <b>us</b> where <b>you</b> may be contacted)	£25

8.2 **We** also charge the following **Account** fees:

Balance Transfer Fee	
During introductory period detailed in Condition 4.1	0% (minimum £0);
After introductory period	3% (minimum £5)
Cash Transactions Fee	3% (minimum £3)
Non-Sterling Transaction Fee	0%
Monthly Fee	£15
Copy Statement Fee	£0

## 9 Right of withdrawal

**You** may withdraw from this agreement without stating a reason by writing to **us** at Credit Card Customer Service, Santander UK plc, PO Box 983, Bradford BD1 9FE or telephoning **us** on 0330 9 123 123\*. **You** have 14 days from the day after **you** receive **your Card** to do this.

If **you** withdraw from this agreement **you** will have to repay the full amount that **you** owe **us** under the agreement, including any accrued interest until repayment, without delay and no later than 30 calendar days after the day that **you** have told **us** that **you** want to withdraw. Where **you** tell **us** that **you** want to withdraw, **we** will let **you** know how much interest **you** have to pay and how to make the payment. **We** will inform **you**, on request, without delay, of the amount of interest payable per day until repayment. **You** can make a payment by internet banking (if registered) by telephone banking (if registered) or by using a payment service offered by **your** bank or building society.

## 10 Rights with respect to goods

If **you** buy any goods or services using **your Card** which individually cost more than £100 and not more than £30,000 and these are unsatisfactory, or fail to arrive, or a misrepresentation is made by the supplier, **you** may be able to sue the supplier, or **us**, or both.

## 11 Missing Payments

Missing payments could have severe consequences, including the possibility of legal proceedings being brought against **you** and may result in credit reference agencies being notified which could make obtaining credit more difficult. If **we** do take legal proceedings against **you**, **we** may apply to enforce any judgement that is made in a number of ways including getting a charging order against **your** home. In exceptional cases, this could lead to **your** home being repossessed and sold.

# Terms for cashback applicable to the Santander World Elite Mastercard

- 1 These terms and conditions (Terms) apply to cashback payments on your Santander World Elite™ Mastercard® (World Elite Mastercard).
- 2 Cashback will be earned on any eligible purchase transactions made where you use your World Elite Mastercard. We explain what we mean by 'eligible purchase' below.

## Eligible purchases

- 3 Eligible purchases are purchases of goods and services made by you or any additional cardholder on your World Elite Mastercard (Purchases). Purchases do not include balance transfers, cash advances, travellers' cheques, foreign currency, money orders, interest, unauthorised or fraudulent transactions, account charges of any kind (if applicable), or advances used for lottery or gambling payments.
- 4 Cashback will not be paid on Purchases that you subsequently cancel or return for a refund.

## How we pay cashback

- 5 Cashback will be earned at a rate of 0.5% on eligible Purchases up to a maximum spend amount of £3,000 each month. This means that you can earn a maximum of £15 cashback in each month.
- 6 In Condition 5, 'month' means the period between your monthly statements. Once you have reached the maximum spend amount in the period since the date of your last monthly statement, any further spend before the date of your next monthly statement will not qualify for cashback.
- 7 The cashback award is supplied by Santander UK plc and does not impact on any other offers supplied by the retailer.
- 8 We will pay you any cashback earned on your Purchases by crediting your World Elite Mastercard account every month. We will add up the total eligible Purchases on your statement date. The cashback earned each month will be credited to your next monthly World Elite Mastercard statement. For example, if you use your World Elite Mastercard to make a Purchase in February, the cashback earned for that transaction will be credited to your World Elite Mastercard account in March.
- 9 Because cashback is paid on each statement date, if you close your account before a statement date, you will lose any cashback that has been earned but not yet added to your account.
- 10 Any Purchases refunded to your World Elite Mastercard will be deducted from the total of your Purchases for the month in which the refund is made.
- 11 If the amount of the refunded Purchases exceeds the amount of Purchases in a month, this may generate a negative cashback amount. If that happens, we will not debit that amount from your account.
- 12 Cashback payments credited to your World Elite Mastercard will not count towards your minimum payment, and you must continue to make your minimum payment in full every month.

- 13 Cashback that is earned by any additional cardholder will be credited to the primary World Elite Mastercard account holder.

## Stopping or changing cashback payments

- 14 We can amend these terms and conditions or remove your ability to earn cashback at any time by giving you at least 30 days' notice. We will tell you if we do this by email, post or in your statement.
